Disclaimer

These policies serve as a guide to assist you in accurate claims submissions and to outline the basis for reimbursement if the service is covered by a member's Healthy Blue benefit plan. The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's state of residence. You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with CPT® codes, HCPCS codes, and/or revenue codes. The codes denote the services and/or procedures performed. The billed codes are required to be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our policies apply to both participating and nonparticipating providers and facilities.

If appropriate coding/billing guidelines or current reimbursement policies are not followed, Healthy Blue may:

- Reject or deny the claim.
- Recover and/or recoup claim payment.
- Adjust the reimbursement to reflect the appropriate services and/or procedures performed.

These policies may be superseded by mandates in provider or state contracts, or state, federal, or CMS requirements. System logic or set up may prevent the loading of policies into the claims platforms in the same manner as described; however, Healthy Blue strives to minimize these variations.

Healthy Blue reserves the right to review and revise its policies periodically when necessary. When there is an update, we will publish the most current policy to our provider website.

Policy

Healthy Blue will consider reimbursement for the initial claim, when received and accepted within timely filing requirements, in compliance with federal, and/or state mandates.

Healthy Blue follows the standard of:

<https://provider.healthybluemo.com>

Healthy Blue is a Medicaid product offered by Missouri Care, Inc., a MO HealthNet Managed Care health plan contracting with the Missouri Department of Social Services. Healthy Blue is administered statewide by Missouri Care, Inc. and administered in the Kansas City service region by Missouri Care, Inc. in cooperation with Blue Cross and Blue Shield of Kansas City. Missouri Care, Inc. and Blue Cross and Blue Shield of Kansas City are both independent licensees of the Blue Cross Blue Shield Association.

- 180 days for participating providers and facilities.
- 12 months for nonparticipating providers and facilities.

Timely filing is determined by subtracting the date of service from the date Healthy Blue receives the claim and comparing the number of days to the applicable federal or state mandate. If there is no applicable federal or state mandate, then the number of days is compared to the Healthy Blue standard. If services are rendered on consecutive days, such as for a hospital confinement, the limit will be counted from the last day of service. Limits are based on calendar days unless otherwise specified. If the member has other health insurance that is primary, then timely filing is counted from the date of the *Explanation of Payment* of the other carrier.

Claims filed beyond federal, state-mandated, or Healthy Blue standard timely filing limits will be denied as outside the timely filing limit. Services denied for failure to meet timely filing requirements are not subject to reimbursement unless the provider presents documentation proving a clean claim was filed within the applicable filing limit.

Healthy Blue reserves the right to waive timely filing requirements on a temporary basis following documented natural disasters or under applicable state guidance.
