

Reminder: dental billing guidelines for hospitals providing dental procedures

Background

Healthy Blue does not accept the submission of dental surgery fees for dental procedures using CPT® code 41899. As of July 31, 2015, CPT code 41899 became a nonpayable code, and to be reimbursable, related medical facility fees should be billed using the guidelines below.

Hospital billing guidelines

Hospital outpatient facility fees should be billed with revenue code 360 and D7999.

Note: To address any denials related to incorrect billing, submit a corrected claim following the guidelines provided within the provider manual for the claim(s) to be considered for payment.

If you have questions about this communication or need assistance with any other item, please contact your local Provider Experience representative.
