MO HealthNet Managed Care (Medicaid)

Provider coding education (CME/CEU)

Webinars and on-demand trainings are now available!

You can access all provider coding education events for Healthy Blue with one easy link: <https://qrgo.page.link/UVNgv>. We will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar event awards one unit of continuing education.

On-demand events: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password. Currently, we only offer continuing medical education (CME) units for on-demand events.

Upcoming topics include:

- Improving the patient experience
- 2021 CPT® coding changes
- HEDIS® quality measures
- Additional topics forthcoming

There are two easy ways to register. Please reserve your place at least 24 hours prior to the start of the event. Register today; you will not want to miss these exciting opportunities!
