

You're invited!

MO HealthNet Managed Care (Medicaid)

Healthy Blue medical provider training and education

Are you a new medical provider or just need a Healthy Blue refresher? Attend an upcoming virtual provider webinar orientation. Learn about our health plan, ID cards, electronic tools, Availity,* and much more.

Our Missouri Provider Experience team will lead monthly reoccurring interactive training sessions the second Wednesday of each month from noon to 1 p.m., where we will provide new and continued training for you and your staff.

To register, please send an email to MoProviderTraining@healthybluemo.com with the required info, at least 48 hours prior to the scheduled session. Prior to the meeting, you will be sent computer/phone links as well as a copy of the provider orientation for you to review in advance.

Please submit all questions to the provider training mailbox prior to the orientation at MoProviderTraining@healthybluemo.com. Due to the large number of participants registered for the training sessions, we will not be holding a live Q&A at the end and will instead address all questions submitted to the mailbox prior to the orientation. For questions submitted to the mailbox during and after the orientation, you will receive a response within 48 hours.

Required info:

- Facility name
- Attendee name
- Attendee email address
- Facility tax ID number
- Any questions you would like addressed

Anyone wishing to attend one of the provider training sessions must register in advance. A separate registration is required from each attendee.

* Availity, LLC is an independent company providing administrative support services on behalf of Healthy Blue.
