

You're invited!

MO HealthNet Managed Care (Medicaid)

Healthy Blue sponsored provider Munch & Learn

Please join Healthy Blue as we host several interactive sessions, orienting behavioral health inpatient stakeholders to the MO HealthNet sponsored, *Follow-Up After Hospitalization (FUH) Collaboration* initiative.

This is an MO HealthNet Division (MHD) statewide initiative developed in collaboration with all three Missouri Medicaid managed care health plans (Healthy Blue, United Healthcare, and Home State Health). During our session, we will discuss updates to the *Aftercare Planning and Guidance* form, the protocol as it relates to the FUH initiative, and associated key metrics.

On behalf of MHD and the Medicaid managed care health plans in Missouri, we look forward to engaging with you to improve follow-up care for managed members after an inpatient behavioral health hospital admission.

To register for any of the dates below, please send an email to MoProviderTraining@healthybluemo.com with the required info at least 48 hours prior to the scheduled session. Anyone wishing to attend one of the Munch & Learn sessions must register in advance.

Required info:

- Subject line: **FUH initiative virtual provider Munch & Learn**
- Facility name:
- Attendee name(s):
- Attendee email address:
- Facility tax ID number:
